

Scratchophone Orchestra

Plaisir moderne world tour 2018

PATCH LIST

We need you to provide a digital mixer like CL, LS9, VI, SI, M32, X32, SD9.

If other model, please contact us. NO Presonus !!!

4 monitors on 4 separate channels 12' minimum

4 extra Aux XLR sends on stage for our ear monitors (we provide)

PA with subs, adapted to the size of the venue, we need 105 dB at any point of the room,

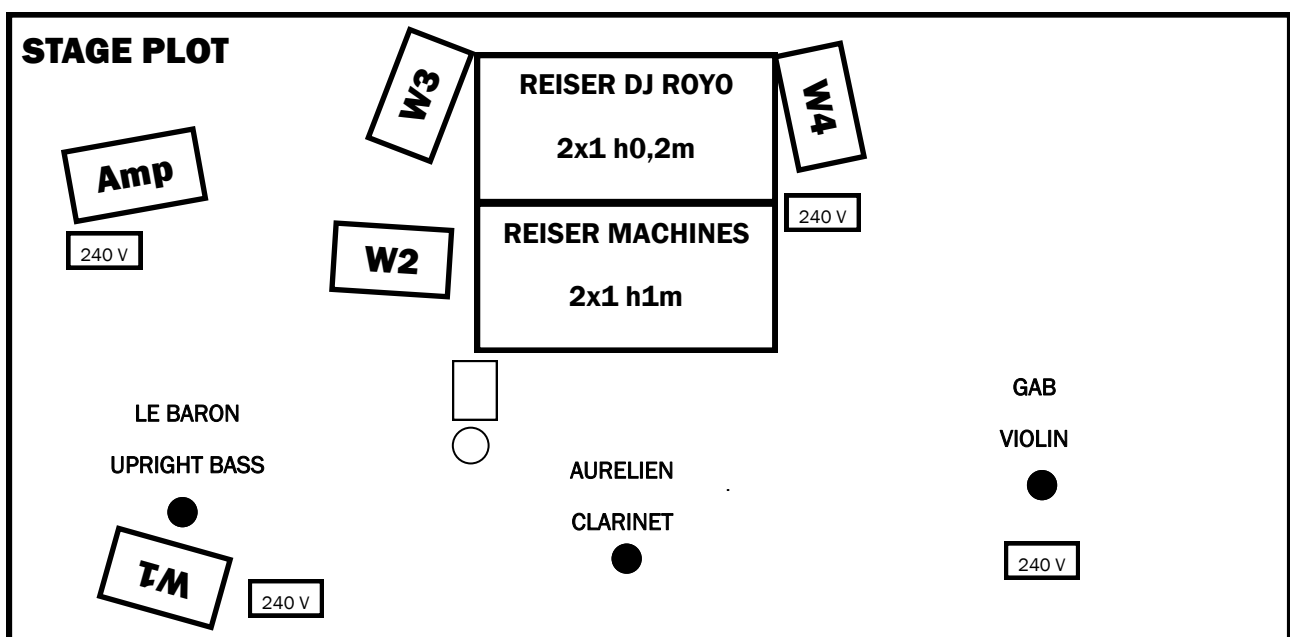

Backline :

Please provide a bass amp type Ampeg SVT + 4x10' or equivalent (IMPERATIF)

2 reisers 2m x 1m (one 20 cm high, the other 80 cm high witch will stay setuped between soundcheck and concert)

For make your life easy, its strongly recommended to put a 12 inputs stagebox near le DJ to connect inputs 1 to 12
